WHY? For all the right reasons; Many of you may be unfamiliar with the RCW but not to the needs of our seniors or physically challenged. For the last 24 years RCW has created over 300 independent resident councils with thousands for members and helped thousands more across the county. The Resident Councils of Washington is proud of what it has done and plans to do much more.

This is our Fourth Annual Fundraiser; Help us, come join us in this great celebration for our 25th Anniversary
